TECH GUIDE

The Labor Day Omnium is promoted by Swagger, based out of Athens, Georgia. Visit Swagger.us for more information on the company, services, and its events. Contact Ashley Travieso for event information or if you have any questions at Ashley@gobike1.com.

Both the Men's Pro/1 and Women's Pro/1/2 omniums count towards the NRC. Visit www.usacycling.org/nrc for more information.

EVENT GUIDELINES

1. General:

- a. The event is held under USAC regulations, except the time trial for which the bikes of Men Pro/1/2 and Women Pro/1/2/3 must comply with UCI specifications.
- b. The omnium event will only offer an individual general classification by points (no KOM, sprint, or team classifications).
- c. A manager's meeting will be held on Friday, September 2 in the board room of the Civic Center starting at 3:30pm. A representative from each team is encouraged to attend. After confirmation of team rosters, race number packets will be distributed at the end of the meeting, as well as a quick description of each race.
- d. Maximum number of riders is 8 for both the men's pro/1 invitational 2 and women's pro/1/2 invitational 3 fields.
- e. Riders do not need to compete in all three events to be considered in the omnium. Omnium points will only be awarded to Pro Men, Women, and Handcycle.

The points breakdown at the finish that will be used for all three races is 15 deep and is as follows:

25, 20, 16, 14, 12, 10, 9, 8, 7, 6, 5, 4, 3, 2 and 1 point

Intermediate sprint points in the criterium and circuit race are 3 deep:

3 points – 2 points – 1 point

- f. In the event of a tie in the general individual classification by points, the following criteria shall be applied in order until the riders are separated: 1. number of stage wins; 2. number of wins in intermediate sprints counting for the general classification on points; 3. Ranking in the circuit race
- g. Pro men, women, and handcycling riders must wear both assigned bib numbers.
- h. Protest for the time trial and criterium are permitted until the start of the next stage. Protests for the circuit race and final omnium classification must be done within 15 min after posting. Results will be posted close to the finish line.

2. Time Trial:

- a. The time trial is open to handcycling, women's, and pro men's fields

TECH GUIDE

- b. Pre-registration only for the Time Trial
- c. Time Trial bicycles are permitted
- d. Time gap between each start will be 30 seconds
- e. A neutral wheel pit will be located at Camson and MLK.
- f. Team will start in the reverse order of the NRC team ranking based on updated overall results as of Wednesday, August 31st. Teams with four or more starters in the ITT can decide the start order of their riders. This order is due to Ashley@gobike1.com no later than Thursday, September 1 @ 5:00pm. Teams with 3 riders or less will fill the gaps. Start times will be posted online by 11:00am on Friday morning.
- g. Podiums for the Time Trial and GC will be held after the last rider finishes.

3. Criterium:

- a. In the event of a legal mishap or mechanical issue, riders may receive a free lap until 8 laps to go. Free laps will be granted only after an official inspects the concerned riders. Riders "caught behind" a crash will not be granted free laps and need to make up lost ground on their own.
- b. Neutral support will be provided by Boyd Johnson and the Great Escape Bike Shop; however, wheel-in wheel-out will still be permitted. Teams are welcome to bring their own wheels and bikes in the pit.
- c. There will be intermediate sprints for points, 3 deep, and will be signified with a bell and an announcement that it is a sprint lap for points.
- d. Primes for cash and prizes will be announced with the ringing of a bell and an announcement that it is a prime for prizes.
- e. In categories with 50 or more starters, lapped riders will be pulled and scored as DNF (did not finish), hence will not score points for the omnium ranking.
- f. Podiums will be immediately following the finish of each race for the race and the GC. Please report directly to the stage if you are in the top 3. Juniors will be awarded to the top 3 boys and top 3 girls in each age category.
